

## REGULATION

- The campus (master class, lectures and labs) is open to musicians coming from any country without age limitations.
- Courses will be held in summer 2009 in Minturno (LT) according to additional information given in the attached agenda;
- Each course will last 25 hours;
- Only the Course on musical composition analysis there will be a final exam.

### Organisation of the Courses:

- The lecturer of each course will inform students about the daily agenda that might include activities both in the morning and in the afternoon. The time between different lectures will be spent within the campus premises to study.
- Each course will be attended by full students and by auditors.
- Students that are willing to attend courses should send their pre-subscription form together with the list of their artistic titles within 15<sup>th</sup> June 2009, according the model provided on the website.
- Pre-subscription is free of charge.
- All seats available will be assigned following an evaluation process, based on artistic titles, which will be carried out by the Artistic Director and by the lecturers of the courses.
- Students that have not been selected to attend as full students are entitled to attend as auditors paying a nominal fee of 100 €.
- Both full students and auditors should pay the relevant fee within 15 days from the communication of the outcomes of the selection.

- The fees for full students are as follows:

Master pianoforte course	€ 350,00
